Title VI of the Civil Rights Act of 1964 provides that “no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving federal financial assistance.” To fulfill this basic civil rights mandate, each federal agency that provides financial assistance for any program is authorized and directed by the United States Department of Justice to apply provisions of Title VI to each program by issuing applicable rules, regulations, or requirements. CITY OF PARK CITY COMPLAINT PROCEDURE

In order to comply with Federal Transit Administration's requirements and guidelines, as a recipient of federal funds, the City of Park City must develop procedures for investigating and tracking Title VI complaints filed, and make procedures for filing a complaint available to members of the public.

RESPONSIBILITIES:

Any person who believes he or she has been discriminated against on the basis of race, color, or national origin may file a Title VI complaint. The City of Park City investigates complaints received no more than 180 days after the alleged incident and will process complaints that are complete.

PROCEDURE:

Once the complaint is received, the City of Park City will review it to determine if our office has jurisdiction. The complainant will receive an acknowledgment letter informing her/him whether or not the complaint will be investigated by our office.

The City of Park City has 60 business days to investigate the complaint. If more information is needed to resolve the case, the City of Park City may contact the complainant. The complainant has 15 business days from the date of the letter to send the requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 15 business days, the City of Park City can administratively close the case. A case can also be administratively closed if the complainant no longer wishes to pursue their case.

After the investigator reviews the complaint, he/she will issue one of two letters to the complainant: 1) a closure letter or 2) a letter of finding. A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. A letter of finding summarizes the allegations and the interviews regarding the alleged incident and explains whether or not any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, he/she has 30 days after the date of either letter to do so.

A complainant may also file a complaint directly with the Federal Transit Administration:

PUBLIC PARTICIPATION ELEMENT

PURPOSE:

The purpose of this procedure is to prescribe those actions required to inform and invite public participation from targeted Title VI communities in pending Park City Transit activities.

REFERENCE:

Guidelines

GENERAL:

Notices of public hearing will be published 15 days in advance of the hearing, or as early as practicable, and are required generally for the following actions of the City of Park City:

1. All fare changes, service hour's changes, routes changes affecting the total service area.
2. Implementation of other significant changes.
3. Legal notices pertaining to grants

RESPONSIBILITIES:

1. Department Heads are responsible for the preparation of hearing notices pertaining to their areas of responsibility. Example: The Deputy Administrative Officer will be responsible for hearing notices of a route change.
2. The Community Relations Director is responsible for the publication of notice of public hearings and distribution of all notices.
3. The City Clerk will be responsible for maintaining a file of certified notices of public hearing as provided by the publisher.
4. The Senior Center Director is responsible to reach out to low-income and minority groups through the Senior Center.
5. Outreach to specific groups will be based on census data collected determining if any low-income, minority or LEP groups are affected.

PROCEDURES:

1. All notices shall be publicized as follows:
 - a. Legal notices pertaining to grants, fare/route changes and any other significant change will be published 15 days in advance of the hearing if possible, or as early as practicable before the hearing.
 - b. Times-Sentinel, will be used.
 - c. General releases (PSAs), if necessary
2. Bulletins will be posted at City facilities and in the Park City Senior Center van that discuss changes and information for how to provide comments.
3. Notification on the City of Park City website and social media accounts.
4. Public hearings and meetings will be scheduled generally in the evening to accommodate work schedules. Park City Senior Center van will provide on-demand pickup for the meeting when needed. All meeting locations will be accessible.
5. Public comments can be provided through email to the senior center staff, a recorded phone line, postal mail, social media, comment cards provided at Senior Center and open City Council meetings under citizens to be heard.
6. Public hearings will be open to the public and posted in advance. Citizens will be encouraged to attend to provide comment. Language or sign interpretation will be provided upon request since less than 1% of the population speaks Spanish or English less than very well.

FOUR FACTOR ANALYSIS

1. Identify number of proportion of LEP individuals that can utilize the service provided by City of Park City.

Using information from the 2007 – 2011 American Community Survey data, the Spanish group has less than 1% of the total population and less than 30 persons that “speak English less than very well” and will require written translation.

2. Identify the frequency in which LEP individuals come in contact with the service.

The City of Park City has not begun to offer services yet, but our frequency will be low due to the small population of LEP's.

3. Identify the importance of the service to the LEP community.

Providing services to everyone in the community is a priority to the City of Park City, we will use an interpreter to communicate and schedule rides for individuals who speak English less than very well.

4. Identify the resources available and the respective costs of these resources.

Currently, the interpreters are City of Park City employees. There are no additional costs associated with this service.

LIMITED ENGLISH PROFICIENCY PLAN

The purpose of developing a Limited English Proficiency (LEP) Plan, as a recipient of federal funds, is to identify the extent of LEP individuals and identify ways that the transit agency can reduce, or eliminate, barriers to LEP individuals.

Park City Senior Center is committed to providing equal opportunity in all programs and services to ensure full compliance with all civil rights laws, including Title VI of the 1964 Civil Rights Act which requires non-discrimination on the basis of race, color or national origin. Equal opportunity includes program access for persons with Limited English Proficiency (LEP).

Limited English Proficient (LEP) persons refer to: Persons for whom English is not their primary language and who have a limited ability to read, write, speak, or understand English. It includes people who reported to the U.S. Census that they speak English less than very well, not well, or not at all.

Utilizing the information gathered from the Four Factor Analysis, the following plan is developed in order to provide the necessary assistance to LEP persons.

1. Identified LEP Individuals.

Since less than 1% of the population speaks Spanish or English less than very well no language meets the requirements. Park City Senior Center (or City of Park City) will provide translated materials and interpretation services when needed.

2. Language Assistance Measures.

Since less than 1% of the population speaks Spanish or English less than very well no language meets the requirements.

3. Training Staff.

Drivers will be trained to identify those needing assistance and assist riders as well as possible using phone translators. An interpreter will help with scheduling a ride.

4. Providing Notice.

The LEP Plan is posted on the agency's website, www.parkcityks.gov. The LEP plan will be provided to any person or agency requesting a copy. The person to contact in regards to the LEP Plan is the Human Resource Manager and can be reached via phone at (316) 744-2026.

5. Monitoring and Updating the LEP Plan.

City of Park City will update the plan according to the Title VI update schedule, which is every three years. The plan will also be updated any time changes in the demographics of the agency's service area are deemed significant in regards to LEP persons.

City of Park City Human Resources is designated as the Equal Opportunity/Limited English Proficiency Coordinator and may be reached at 316-744-2026 for information, access or to file a complaint.
